

Government of India  
Ministry of Railways  
(Railway Board)

Code of Practice for the Design and Construction of  
Masonry and Plain Concrete Arch Bridges  
(Arch Bridge Code)

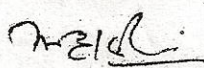

Adopted - 1941  
Revised-1962

**ADDENDUM & CORRIGENDUM SLIP NO. 7 DATED 25.9.2000**

*1. Delete existing clause 1.1 and insert as under:*

"1.1 This Code of practice applies to arch bridges constructed of brickwork, stone or plain concrete. Any revision or addition or deletion of the provisions of this Code shall be issued only through the correction slip to this manual. No cognizance shall be given to any policy directives issued through other means."
